

# Tee Up for Nursing

Monday, July 9, 2012 - Nakoma Golf Club

Edgewood College invites you to the Wind River Financial, Group Health Cooperative *Tee Up for Nursing* Golf Event

Together, we embark on our 9<sup>th</sup> year of *Tee Up for Nursing*, providing nursing scholarships to Edgewood College, as we strive toward eliminating Wisconsin's nursing shortage. Here are a few facts about the shortage, our event and your contributions so far:

- **You are not alone.** This past year, Edgewood College received a \$50,000 grant from the Robert Wood Johnson Foundation to support students from populations that are underrepresented in nursing.
- **75% of RNs** believe the nursing shortage presents a major problem for the quality of their work life, the quality of patient care, and the amount of time nurses can spend with patients
- **25% of all nursing scholarships** given out this academic year were raised through *Tee Up for Nursing*
- According to Bernard Hodes Group, 55% of surveyed nurses reported their intention to retire between 2011 and 2020. The majority of those surveyed were nurse managers
- Nursing school enrollment nationwide is not growing fast enough to meet the projected demand for RNs; it must grow at a 30% rate, in 2010 the growth rate was only 5.7%
- Bureau of Labor Statistics (BLS) projected that more than 581,500 new RN positions will be created through 2018, which would increase the size of the RN workforce by 22%
- Here is one last fact about the impact the School of Nursing at Edgewood College has on our community – **UW-Madison enrolls over 15 times the number of students as Edgewood College** each year, yet, **Edgewood College graduates virtually the same number of nursing students annually:**

Welcome back Honorary Tournament Chair, Kathy Whitworth, 88 tournament wins – more than any other golfer, male or female..
